

BRITISH SUMMERTIME

A warming taste of England created by blending fresh fruits such as apples and berries with flowers and spices. British Summertime evokes memories of a warm & happy summer eve.

Orange, Hibiscus & Rosehips

The combination of real apple pieces, orange and herbs produces a tea that's refreshing, thirst quenching and not too sweet. Totally caffeine-free and packed with Vitamin C.

Ingredients: Naturally dried apple pieces, orange, hibiscus, rosehip and natural flavours.
