

Choco Mallow Popcorn Bliss Kit

All you need to make the best popcorn you've ever had!

Instructions:

1. Pour two tablespoons of oil and two popcorn kernels into a saucepan over medium heat. Cover the pot and wait for the kernels to pop, which might take a few minutes. In the meantime, place a large serving bowl near the stove so it's ready when you need it.
2. Once the kernels pop, turn off the burner, remove the pot from the heat and pour in the remaining popcorn kernels. Cover the pot again, and give the pot a little shimmy to distribute the kernels evenly. Let the pot rest for 60 seconds to make sure the oil doesn't get too hot before the kernels are ready to pop.
3. Turn the heat back up to medium, put the pot back onto the burner and continue cooking the popcorn, carefully shimmying the pot occasionally to cook the kernels evenly. Once the kernels start popping, tip the lid just a touch to allow steam to escape.
4. Whilst waiting for the popcorn to pop, pour chocolate chips into a microwave safe bowl and microwave in 10 second bursts (stir each time you remove from microwave so it doesn't burn) for about one minute, until the chocolate is fully melted.
5. Continue cooking until the popping sound slows to about one pop per every few seconds. (If the popcorn tries to overflow the pot, just tip the upper portion of popcorn into your bowl and return it to the heat.)
6. Remove the lid and dump the popcorn into your serving bowl.
7. Pour melted chocolate, mini marshmallows and caramel chips into the bowl and stir to combine with the popcorn.
8. Enjoy your Choco Mallow Popcorn treats!

Ingredients:

Popcorn seeds (80g)

Chocolate chips: sugar, unsweetened chocolate, cocoa butter, SOY lecithin, vanillin. May contain traces of PEANUTS, TREE NUTS and EGGS. (20g)

Mini marshmallows: glucose-fructose syrup, sugar, water, FISH gelatine, dextrose, maize starch, acidulant: malic acid, acidity regulator: sodium citrate, natural vanilla and strawberry flavour, natural colours: curcumin, betamin and E141. May contain traces of MILK and SOY. (10g)

Caramel chips: sugar, hydrogenated palm kernel oil, cocoa powder, natural and artificial flavours, artificial colours (FdC) (11g)

May negatively affect children's power of concentration.
