

Funfetti Cookie Dough

Empty the contents into a large bowl. Add 150gm of softened butter (6 level tablespoons) and two tablespoons of milk for a firm dough, or three tablespoons for a runnier dough.

Vegan Friendly: Add plant based milk and butter of your choice.

Using a wooden spoon, mix the contents to form a dough – this can take a while! Don't be tempted to add more milk and butter though!

Due to the dough being made with milk and butter, it should be stored in the fridge.

We recommend eating your dough within 1 week – unless the shelf life of your butter and/or milk has a shorter shelf-life date. Suitable for freezing up to 3 months – it tastes pretty yummy frozen!
