<b>Brand Profile Description:</b>	<p>Popcorn Shed are rewriting the rules of the snacking category, in the UK and beyond!</p> <p>Say goodbye to boring, tasteless popcorn. Our gourmet popcorn tastes better than the competition, is beautifully branded and our pack formats are both unique and eye-catching.</p> <p>Popcorn Shed is the UK's first super-premium gourmet popcorn brand. Our production process is complex. Whilst our competitors apply spray-on and powder coatings in an industrial process, Popcorn Shed uses an artisan cooking process by making a fresh caramel batch with each production run. Our popcorn is tumbled in fresh caramel before being scattered with melted chocolate, nuts and dried fruit. This ensures a deep, rich flavour and provides a lovely texture to every single kernel.</p> <p>Popcorn Shed's popcorn is made with all natural ingredients.</p>
