

Hemp (Chanvre)

Fragrance Family: Mossy Woods

Fragrance Profile: A scent that reveals itself as a path of introspection within nature, distinctive and authentic with a pleasing, earthy aroma that includes bright top notes of lemon and lime.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, benzyl benzoate, linalool, hexyl cinnamal, coumarin, geraniol, amyl cinnamal, CI 77492

Musk (Musc)

Fragrance Family: Mossy Woods

Fragrance Profile: Earthy, woody, animalistic, and intoxicating - a sumptuous and discerning sensual fragrance. An exquisite fusion of precious, floral, musky notes to leave you both feeling and smelling divine!

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, linalool, coumarin, citronellol, benzyl salicylate, cinnamyl alcohol

Shea Butter (Beurre de Karité)

Fragrance Family: Mossy Woods

Fragrance Profile: A spicy nutmeg and shea butter accord with supporting notes of vanilla, coconut, caramel, dairy cream, walnut, soft woods, amber, musk and tonka.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, alpha-isomethyl ionone, hexyl cinnamal, citronellol, geraniol, benzyl benzoate, CI 77492

Vetiver (Vetiver)

Fragrance Family: Mossy Woods

Fragrance Profile: A complex earthy, woody scent which is clean and ethereal, smoky and dusty, often compared to the sharp smell of uncut grass on a warm day.

Ingredients: sodium palmate, sodium palm kernelate, aqua, parfum, butyrospermum parkii, glycerin, sodium chloride, tetrasodium EDTA, tetrasodium editronate, hexyl cinnamal, citral, coumarin, limonene, eugenol, alphe-isomethyl-ionone, linalool, CI 74260

Pure French Soaps

“Mossy Woods”

Woody Amber (Ambre Boisée)

Fragrance Family: Mossy Woods

Fragrance Profile: Sweet, resinous, cosy and warm with an opulent woody character. Like a walk through the woods on a warm Autumn day - recalling those lovely deep musky scents that invoke warm and seductive feelings.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, amyl cinnamal, linalool, hexyl cinnamal, alpha-isomethyl ionone, benzyl salicylate, eugenol, CI 51319, CI 12490, sodium laureth sulfate, o-phenylphenol
