¡VIVA MÉXICO! Smokey spices, mild chilli & tangy lime!

The perfect harmony of smokey spices, mild chilli & tangy lime!

The key ingredient in this blend is the smoked spices, which gives off a rich, smoky aroma that will transport you to the streets of Mexico. The mild chillies provide a subtle heat that is not overpowering. Lime brings a refreshing and zesty element to the blend, adding a tangy kick.

The versatility of this blend is what makes it a must-have in any kitchen. From sprinkling it on fruits and vegetables for a healthy snack, to using it as a rub for chicken and beef. It is also perfect for seasoning seafood and fish, adding a depth of flavour to these delicate proteins.

Let's not forget about its use as a popcorn topping - taking your movie night snacks to a whole new level.

Mix it with vegetable or olive oil to create a dip, dressing or a delicious marinade.
Carefully crafted to enhance your culinary creations.
