

Caramel (Caramel)

Fragrance Family: Oriental

Fragrance Profile: Soft caramel and brown sugar with hints of vanilla alongside a salted butter nuance invoking a seductive "eat me" warm and lingering fragrance.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, benzyl alcohol, limonene, cinnamyl alcohol, coumarin, CI 77492, CI 77491, CI 77499

Chocolate (Chocolat)

Fragrance Family: Oriental

Fragrance Profile: A decadent, creamy, rich chocolate fragrance without the calories - a sweet treat without the guilt!

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, benzyl alcohol, CI 77492, CI 77491, CI 77499

Cinnamon (Cannelle)

Fragrance Family: Oriental

Fragrance Profile: Aromatic with a sweet and warm, powdery tenacious spicy note, cinnamon is one of those scents that just makes you happy!

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, cinnamaldehyde, linalool, eugenol, CI 77499, CI 77492, CI 77491

Honey (Miel)

Fragrance Family: Oriental

Fragrance Profile: Rich, warm, luxurious and comforting, honey works wonderfully to emphasise floral notes. A sweet, gourmand scent with animalic and powdery floral nuances.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, coumarin, eugenol, hydroxycitronellal, CI 77492

Opium (Pavot)

Fragrance Family: Oriental

Fragrance Profile: Mischievous and mysterious, opium is a fabulously intoxicating and provocative fragrance. An irresistible gourmand scent with a hypnotic note and a dry, powdery aspect and a balsamic touch.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, benzyl salicylate, benzyl benzoate, limonene, eugenol, linalool, coumarin, hexyl cinnamal, citronellol, geraniol, CI 77499

Vanilla (Vanille)

Fragrance Family: Oriental

Fragrance Profile: An ever popular fragrance which is sweet and cosy with a cookie-baking feeling - dreamy, creamy and delectably comforting with an ever so subtle hint of treacle.

Ingredients: sodium palmate, sodium palm kernelate, aqua (water), parfum (fragrance), palm kernel acid, sodium chloride, glycerin, butyrospermum parkii (shea) butter*, tetrasodium EDTA, tetrasodium etidronate, coumarin, CI 77492, CI 77491, CI 77499
